

EVERY MEAL

FIGHTING CHILD HUNGER

NOTE FROM OUR PRESIDENT

In a year that we hoped would include more of a return to normalcy, we continued to make a positive impact while facing many challenges.

COVID-19 continued to disrupt the lives of children and families, intensifying food access barriers for many. We faced school quarantines, supply chain backlogs, operational nimbleness, and most of all, a sustained heightened need for our meal bags.

In the midst of these challenges, together, we stayed true to our commitment to the children and families in our community. We adapted to the new realities with different types of distribution locations including libraries, fire stations, city halls, boxing gyms, barber shops, and more.

Together, we opened our Weekend Food Program to every school in 41 school districts and provided 2,344,961 meals across 449 food distribution locations. None of this would have been possible without your partnership. Thank you for standing with us to ensure children have the food they need to learn and grow.

Celebrating ONE year as EVERY MEAL

In October 2020, we changed our name from The Sheridan Story to Every Meal. This decision came after learning that our namesake, Sheridan Elementary, was named after Philip Sheridan, who committed terrible acts against and made terrible statements about Indigenous peoples, playing a significant role in spreading racial stereotypes across the country. We changed our name to better reflect our mission. As we reflect on our name change, we continue working hard to ensure children living with food insecurity get **every meal** they need.

COMMITMENT TO GOOD FOOD

Every Meal is committed to providing **GOOD FOOD** that retains the dignity of our children and families. We believe good food is nutritious, delicious, and relevant.

Nutritious:

Our staff dietitian works to ensure our meal bags meet current nutrition standards for children and youth as outlined by the Dietary Guidelines for Americans and the National School Lunch and Breakfast Programs.

Delicious:

We taste test the food we buy to ensure children will eat it. For each item we provide, we make sure it looks, smells, and tastes delicious.

Relevant:

We offer five meal bag options with a variety of menus designed to be culturally and situationally relevant for the different children and families we serve.

* The community's financial response to COVID-19 and civil unrest in the metro area in the last quarter of fiscal year 2019-2020 was generous and resulted in a fiscal year end surplus, which continued to fund our efforts for the fiscal year 2020-2021.
