programs. Through a network of over 791 partner organizations, Every Meal provides thousands of children with the food they need to learn and grow.

A differentiator of Every Meal is the quality of food provided. Over 99% of our food is purchased from over 23 local, national, and global vendors. Food items and brands are determined through guidance from on-staff registered dieticians who analyze nutritional contents and taste to ensure that the food is nutritious, delicious, and relevant.

Investing in technology and leveraging purchases at scale has allowed Every Meal to provide a greater variety of high-quality food while reducing costs. These efforts have resulted in a wider range of food options available to children including regionally specific beans, specialized grains and flours, and favorable vegetables and fruits for various cultural cooking needs. Regular taste testing, nutrition analysis, and feedback from families helps ensure children receive food that is nutritious, delicious, and culturally and situationally relevant.

Every Meal revamped distribution methodology to enhance school support post-COVID-19. Program staff proactively trained partners on new more effective processes, and utilized emails, calls, and visits to ensure smooth food delivery to children while monitoring inventory.

To combat inflation and supply chain disruptions, Every Meal stabilized and streamlined inventory, purchasing, and demand forecasting. This effort maintained consistent food costs while effectively addressing the high demand in fall 2022.

Other innovative programs, like the Grow and Give program have continued. Produce grown in Every Meal Garden was combined with produce donated by individuals and Grow and Give partner organizations to be distributed weekly to children in Minnesota throughout the summer months.

Form 990, Part III, Line 4a:

Expenses for program service accomplishments have been amended. Amounts that were originally reported as fundraising expenses for other salaries and wages were amended to be under program service expenses.

Form 990, Part VI, Section A, line 1a:

Except for the power to amend the Articles of Incorporation and Bylaws, the Executive Committee shall have the power to transact all regular business of the Organization during the period between meetings of the Board of Directors, subject to any prior limitation or direction imposed by the Board of Directors.

Form 990, Part VI, Section B, line 11b:

Form 990, Part VI, Section B, Line 12c:

The Organization monitored compliance with the conflict of interest policy by reviewing, contemporaneously, all potential conflicts of interest at governance meetings and staff daily activities and applying the policy to address any actual conflicts of interest that are identified. As Section 6.2 of this policy states, staff conflicts of interest are disclosed to the President, "(or if she or he is the one with the conflict, then to the Board Chair), who shall bring the matter to the attention of the Board. Disclosure involving directors should be made to the Board Chair, (or if she or he is the one with the conflict, then to the Board Treasurer) who shall bring these matters to the board. Section 6.3 continues "the board shall determine whether a conflict exists and in the case of an existing conflict, whether the contemplated transaction may be authorized as just, fair, and reasonable to Every Meal."

As Section 2 of this policy states, this policy applies "not only to directors and officers, but to all employees who can influence the actions of Every Meal. For example, this would include all who make purchasing decisions, all persons who might be described as 'management personnel,' and anyone who has proprietary information concerning Every Meal." In practice, the policy applies to all members of the Board of Directors and typically applies to staff that are manager level and above.

Restrictions imposed on a person with a conflict are identified in Section 6.1 - include fully disclosing the conflict of interest and is excluded from the discussion and approval of such transaction.

Salary data is obtained from the Minnesota Council of Nonprofits' Minnesota salary and benefits survey. Salary data is compared with averages based on both organization's size and sector. Data is then evaluated against salary quartiles while considering the President's experience. The last time this process was undertaken was July 2022.

Form 990, Part VI, Section C, Line 19:

The Bylaws and Conflict of Interest policy are available upon request. The financial statements and Articles of Incorporation are available on the Organization's website or upon request.

Form 990, Part IX, Line 7:

Amounts for other salaries and wages have been amended. Amounts originally shown in the fundraising expenses column have been moved to the program service expenses column.

Form 990, Part XII, Line 2c:

The process has not changed from the prior year.
